

TIE FLUME

This exquisite three bedroom, three baths log home features many amenities that accommodate many different lifestyles. The master bedroom is a “dream come true” with a built in see-through fireplace, large walk in closet and lush bathroom that has a door that opens to the porch area to put your hot tub. The kitchen and dining room lend to both casual and formal dining and the sliding glass doors of the dining room extend your eating area outdoors. The upstairs rooms can serve a multitude of areas as an office, bedroom, family room or exercise room. The 255 square foot covered balcony of the upstairs room makes a great hideaway. The three-stall garage is large enough to accommodate your vehicles and a workspace for all those projects you’ve been meaning to do.
